

Sinclair Broadcasting's mandatory Kerry-smear-"documentary" broadcast, days before the election, is an outrage.

I can't believe that you haven't already acted on this!
You are the only gate keeper. Wake up! This is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Act before democracy is damaged by your inaction.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
